

TALL SHIP WINDY

Sailing Adventures | Private Charters

Sail Windy! Make your next gathering unique with a private cruise on a real tall ship!

Tall Ship Windy is a majestic 148-foot four-masted gaff topsail schooner. Modeled after a traditional Great Lakes trading ship, she is built of modern materials but boasts all the character and charm of the Golden Age of Sail.

PRIVATE EVENTS

Weddings, parties, corporate functions, reunions, church outings, tour groups, team building and more! Windy can host up to 148 guests, including your caterer and musicians/talent. Charter rates start at \$4,000, dependent on event date and time.

Amenities

Windy boasts three spacious decks, a grand salon, pressurized “heads” (marine toilets) and a bar for your enjoyment. Plenty of deck seating is available on benches and boxes. The bar is stocked with soda, water, beer, wine, liquor and snacks. Ask about our bar packages! We feature brands from local distilleries and wineries.

Catering

Caterers generally set up buffet-style in the grand salon, adjacent to the galley area, with guests free to move in and out. Seating is informal on Tall Ship Windy, so “picnic-style” meals work best. All catering vendors must be approved by Windy’s management before they can be hired. Please ask us for a list of our preferred caterers.

No alcohol can be included with catering as Windy is a registered bar and is licensed to accept and distribute only its own alcohol. Beverage packages are available, starting at \$12.00 per person, per hour. Please contact us for additional information.

Entertainment

With a story-teller on board, choose from programming options such as Chicago Architecture, Piracy on the Great Lakes, Chicago maritime ghost stories and more. Live music is also available or bring your own band on board. There is an additional charge for entertainment.
